## MLF Ministry Operations Remain Suspended

Since Bexar County still struggles to deal with the [COVID-19](#) pandemic, the **MLF Core Team** has decided to maintain its current level of limited services. It is hoped that our **MLF** ministry will be able to return to full operation in January 2021. In the interim, we ask that your prayers continue for “our brothers and sisters in need,” the **SFA** parish community, and the countless others coping with this health crisis.

## MLF Needs a Clothing Co-Coordinator

Although **MLF** is not accepting clothing donations at this time, there is still a lot of work to be done. As a result, we are seeking a **Clothing Co-Coordinator** to assist in this effort.

Hours are flexible, and duties include: managing student volunteers, working with special groups, organizing the **MLF** school supply drive, and arranging clothing and toiletry drives. For additional information, click this [job description](#) link.

## Food Handlers Certification

With the extra time we are all having during this Coronavirus crisis, you can help our **MLF** ministry meet San Antonio Health Department requirements by completing an online [Food Handler Training Course](#). The course is very informative, and it can even help with food safety at home. There are several programs for the on-line courses. Just do a [Google](#) search on the phrase “Texas Food Handlers” to find the various options with costs of \$7.00 or \$8.00.

Although it gives you two hours of class credit, it takes much less time that. The certification is good for three years. I took the course through [360training.com](#). Be Sure to print an extra copy of the certificate for the **MLF** records. I also put a copy in my car so that I can easily retrieve it (if asked).

October 24 - 25

Our ministry mourns the passing of Claude Joseph “CJ” Fremin, Jr. He is survived his wife of 27 years, Donna, and a loving extended family. CJ and Donna worked together as team leaders for the 4<sup>th</sup> Saturday lunch bunch, and gathered food and clothing for those experiencing homelessness in the San Antonio area. His calming presence, wise counsel, quick wit, and warming smile will be missed by all who knew or worked with him. Please join us in prayers of comfort and support for his wife, Donna, and the entire Fremin family
