

Prayer For Career Transition

Jesus,

I trust in you as I look for new opportunities.

Lead me to the right career path.

I rest in your goodness and give you all I have.

Help me as I find, apply and interview for each position.

You know the skills I have, and the things that I enjoy.

Lord, I ask for more than a wage.

Lead me to a position where I can really feel valued, respected and part of a team.

Please watch over me and my family in this waiting time.

Help me be confident in knowing Your will.

Open the right doors for me.

Please come and direct my path.

I put my trust in You completely.

Amen
